CIRCULAR

*Hazardous Circular.pdf*

In order to implement the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 effectively, and to strengthen the District offices of PCB and streamline the processing and monitoring of hazardous waste generating units, it is ordered that henceforth, the inspection under the said rules, shall be conducted by Scientist-A / Research Assistants, in the respective districts of Jammu Province, duly endorsed / recommended by the concerned District officers.

Further, the inspection report on Sch-I alongwith inspection report of consent cases of all such units alongwith Form-I and requisite documents (in triplicate), such as annual returns, site plan and photographic proof of hazardous waste storage area, layout plan of fire fighting system and other relevant documents, whichever applicable, must reach the Regional office.

It is imperative that District officers shall keep record of the latest inventory (as per CPCB format) of all such hazardous waste generating units in their respective jurisdiction, maintain all the record for such units and furnish the same on tri-monthly basis to the Scientist-B, I/c Hazardous Waste Management in Regional office.

District officers PCB shall be held responsible and accountable for monitoring and reporting of any violation of the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 in their areas henceforth.

Such cases under Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 shall be further verified and duly vetted by Scientist-B, Incharge Hazardous Waste Management in Regional office, for further consideration, henceforth.

By approval of Competent Authority.
